

GP Training at Ashford/St Peters

- Thanks for taking the time to find out a bit more about what our training scheme can offer you.
- Dr Tracey Collins and Dr Layth Delaimy the GP Programme Directors, work closely with the GPKSS Deanery, Educational and Clinical Supervisors, other local Programme Directors and the Hospital Trust to produce ***patient centred, clinically competent General Practitioners, equipped to face the challenge of independent practice in the 21st century.***

GP Training at Ashford St Peters Hospital

- Ashford/St Peters Trust offers 21 3 year GP rotations, with 20 months in Hospital and 16 months in General Practice.
- Ashford/St Peters Hospitals NHS Trust is an excellent DGH with a broad spread of specialities and an active well supported Postgraduate Centre.
- Our training is based at Ashford/St Peters Hospital which is very close to the M25 motorway and is a short commute from central London but also includes training practices in leafy Surrey.
- ***Our aim, at the end of your training, is for you to have covered the new GP curriculum and to have passed the nMRCGP exam, all within a safe nurturing environment.***
